A Brief History of Major Peer Communication Platforms

Disrupting Power

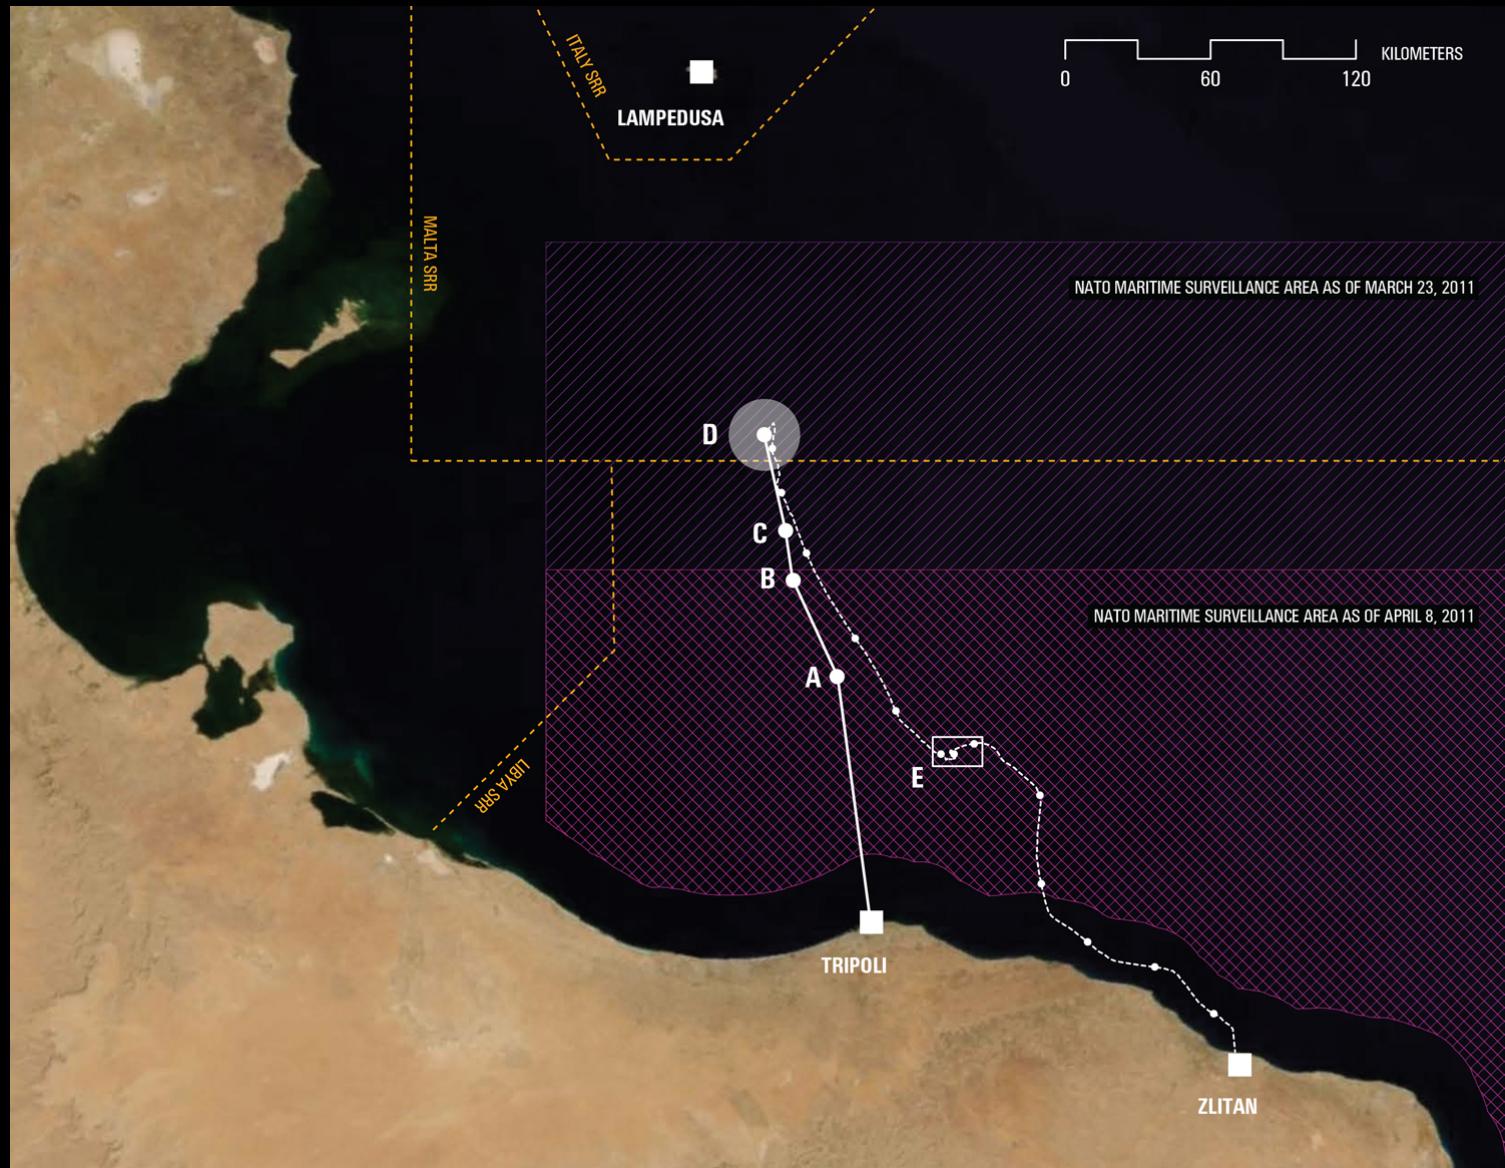

"The reality is that command and control bureaucracies are just no longer needed to make large numbers of people do things. These institutions have simply lost their monopoly on collective action.

What's more, individuals and groups that are successful in this new environment are empowered in ways that sit outside of, and in many ways challenge, the very legitimacy and relevance of our 20th century hierarchical organizations."

Gezi Park Protests (Istanbul, 2013)

Hassas bilgiler bu haritaya konnmaktadır, (sosyal medyada paylaşılabilirsiniz): İstanbul gezi parkı ile başlayıp Türkiye geneline yayılan eylemler, demokratik hakların ozgurce kullanılmaması adına tarafsız (dil-din-irk-mezhep-politik dusunce farkı gozetmeksızın) halkın onderinde yurutulmektedir. Linkteki haritalar İstanbul'daki polis şiddetinin görüldüğü noktalardan sürekli güncelleme ve bilgi vermektedir. Gonullu revir veya doktorların yeri ifşa edilmemektedir.
